## HOW TO PRAY

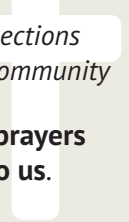

*An invitation to pray for God's work through Big Table*

Everything we do begins and continues with prayer. As we reach, care, connect, and walk alongside others, we depend on God to lead, provide, and transform lives.

Join us in praying for:

- Hospitality workers facing crisis, isolation, challenge, and hardship
- Open hearts to experience hope, healing, and the love of Jesus
- Big Table teams to both listen closely and follow God's leading
- Meaningful connections into life-giving community

**Thank you! Your prayers mean the world to us.**

## REAL STORIES NEEDING REAL HOPE

Everyday we get care referrals from our care cities for people facing some of the most difficult seasons of their lives. And instead of facing them alone, they find hope through Big Table. And the best part, when the time is right, they get to learn about the real hope found in Jesus Christ.

After losing her housing, Nazy worked tirelessly to find a new place to live while balancing two hospitality jobs. She was homeless and carrying the weight of financial stress and uncertainty while doing everything she could to build a secure future.
